Compliance Engagement Letter

Client: Amber Connect Limited

Date: 16/10/2025

To Whomsoever It May Concern,

This is to formally confirm that Whizz Cybersecurity Private Limited has been engaged by Amber Connect Limited as a compliance partner to support the organization in its SOC 2 Type 2 readiness and compliance journey.

The engagement covers advisory and support activities to prepare Amber Connect Limited's systems, processes, and documentation for SOC 2 Type 2 compliance. Specifically, Whizz Cybersecurity will:

- Conduct a gap assessment against applicable SOC 2 Type 2 Trust Services Criteria (Security, Availability, Confidentiality, and others as scoped by management).
- Provide recommendations for remediation of identified gaps.
- Assist in the implementation of compliance requirements, including policy and process alignment.
- Support evidence preparation and readiness for the independent SOC 2 Type 2 audit.

The engagement is planned to be completed within Q2 of 2026.

Whizz Cybersecurity remains committed to partnering with Amber Connect Limited in strengthening its security and compliance posture, and in ensuring readiness for SOC 2 Type 2 attestation by the appointed audit firm.
